

TRAVEL TIMES AND DIRECTIONS

YOUNG LIFE BEYOND MALIBU

This information is extremely important for efficient travel and timely arrival at Beyond. Remember, you will likely not be using your "smart" phone in Canada. If using your phone, there is a chance of losing service from the ferry to Egmont. It would be wise to print this document and have it handy for the drive up. You may also want to print out some more detailed maps. **Please read carefully.**

TRAVEL TIMES

Total travel time from Seattle to the Malibu Landing in Egmont is 6-10 hours. Border crossing wait times can vary greatly; we advise allowing extra time for border crossing and travel in and around Vancouver. Please note, this schedule does not allow time for stops, pack food and/or allow extra time for stops.

- 4 hours minimum from Seattle to Horseshoe Bay (see map on next page)
- 40 minutes from Vancouver to Horseshoe Bay
- 40 minutes on ferry from Horseshoe Bay to Langdale/Sunshine Coast
- 1 ½ hour drive from Langdale to Egmont (approximately 90 km).
- 1.5 hours by boat from Egmont to Beyond.

FERRY TIMES

Ferry times are crucial, if you miss the ferry from Horseshoe Bay to Langdale, you may miss the boat out of Egmont to base camp. If you miss the boat out of Egmont the only option is to charter a float plane to base camp which is costly. Plan to be 60-45minutes early for your ferry time. You may also reserve a spot on the ferry; see their website for details. The line at the Horseshoe Bay ferry is for several ferries in addition to the Langdale ferry. Don't be unduly dismayed at the number of cars lined up if you have arrived at a reasonable hour. The exception to this is for Canadian holidays (July 1st and the first Monday in August) when you would be wise to allow extra time to be sure of a ferry space. Please see the BC Ferries' website at <http://www.bcferrries.bc.ca/> for a current, detailed ferry schedule (make sure to be looking at the correct date range).

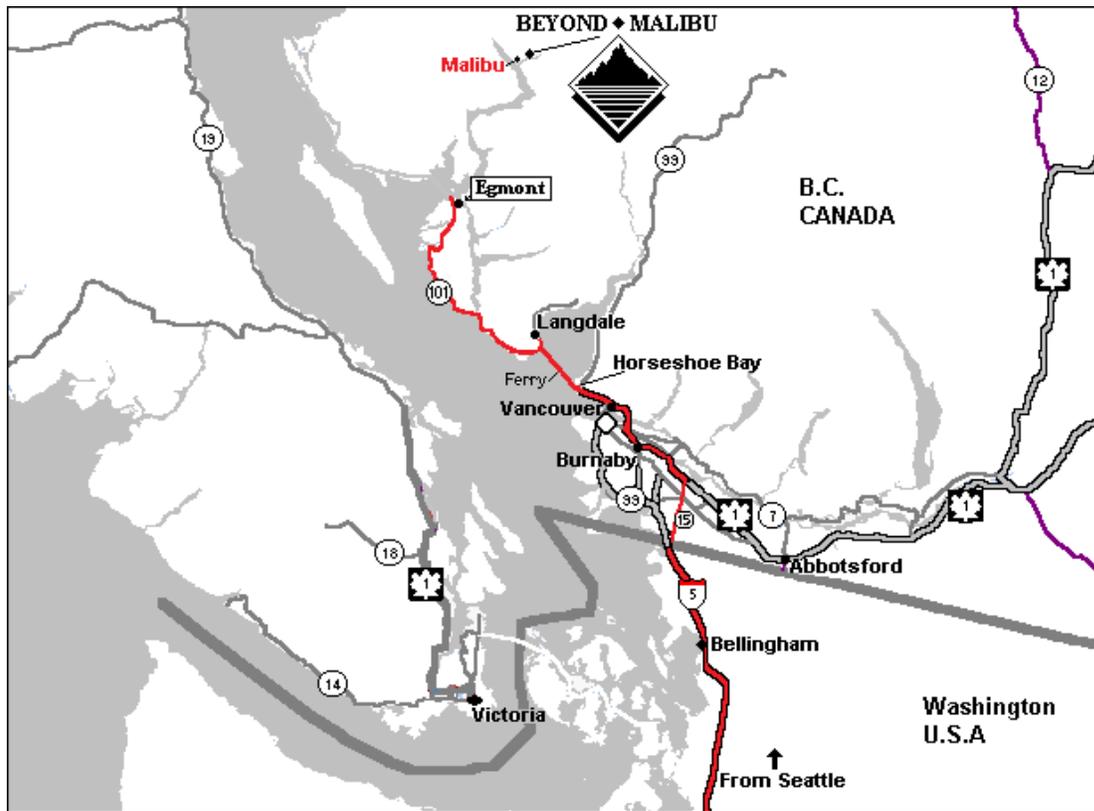

DIRECTIONS FROM SEATTLE TO HORSESHOE BAY

Take Interstate-5 North through the US/Canada border. Once you are through the border, immediately turn onto Highway 15 North. Follow for about 12.5 miles and take the exit onto Highway 1 West, which will take you to Horseshoe Bay (Ferry Terminal). Follow signs to the ferry terminal. As you approach the ferry terminal, get in the lane marked Langdale/Sunshine Coast. **Alternatively**, you may take I-5 North to Exit 275 (WA-543 N/Truck Route) prior to crossing the border. This will take you through the Truck Route border crossing and once across, will put you directly onto Highway 15 North.

DIRECTIONS FROM FERRY TO MALIBU LANDING

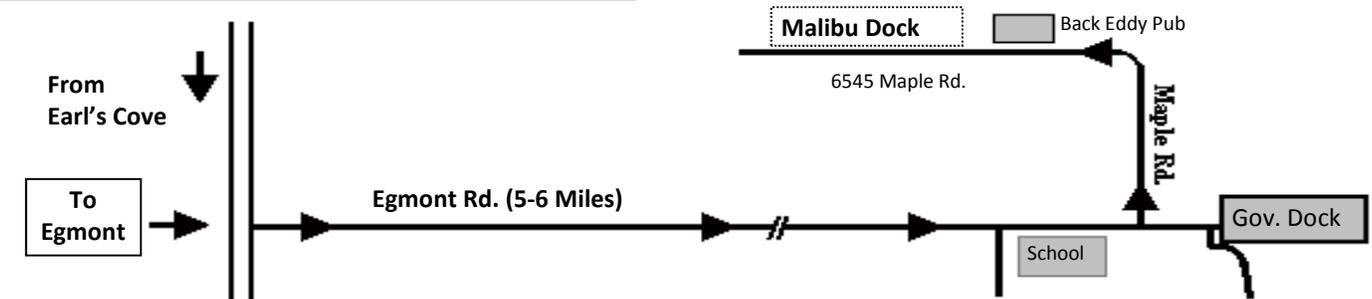

Once off the ferry follow Highway 101 North to Egmont (approximately 1½ - 2 hour drive). Pass through Gibson and Sechelt. About 45 minutes from Sechelt keep a sharp lookout for the turn off to Egmont. Follow the signs to Malibu Landing. See the detailed map and directions on next page to assist you in locating Malibu Landing. Parking is available.
